Dear Sir/Ms:

The following question has been received:

Question: In Appendix A page 1 Paragraph I A seems to indicate that the cost for all materials and repair parts less than or equal to \$300.00 are to be included in the quoted hourly rates, and that only those items that cost more than \$300.00 are to be invoices separately, with prior approval. Is this correct?

Response: The language Appendix A page 1 Paragraph I A was to inform bidders that rags, cleaners, towels, grease, oil, etc. were incidental to the hourly bid. Parts needed for the units repair would be paid for by MDOT up to \$300.00 with no prior approval. Any parts which exceed \$300.00 would need prior approval from MDOT before they are installed.

Consider this information prior to submitting your bid on June 6, 2012.

Sincerely,

for George Macdougall
